

Amgen® SupportPlus provides access support and helpful resources across Amgen therapies

Resources for your patients

Co-Pay Program

By enrolling in one of our co-pay programs, eligible commercially insured **patients may pay as little as \$0* out of pocket** for Amgen medications. Our co-pay programs are designed to address unintended financial interruptions for patients accessing their prescribed Amgen medication.

Amgen® Nurse Partners[†]

Dedicated Amgen Nurse Partners can offer supplemental support and provide information about resources to help patients access their prescribed medication.

Resources for healthcare professionals

HCP Support Center

Our Amgen SupportPlus Representatives can assist with issues around patient coverage, prior authorizations, co-pay programs, and more.

Amgen® Access Specialists

An Amgen Access Specialist can provide live or virtual coverage and access resources to support your patients.

*Eligibility criteria and program maximums apply. See AmgenSupportPlus.com/copay-terms for full Terms and Conditions.

†Amgen Nurse Partners are only available to patients that are prescribed certain Amgen products. They are not part of your patient's treatment team and do not provide medical advice, nursing, or case management services. Amgen Nurse Partners will not inject patients with Amgen medications. Patients should always consult their healthcare provider regarding medical decisions or treatment concerns.

Personalized support that you and your patients can count on across Amgen therapies
